

Catholic evangelization is more difficult today than ever. Why would any Protestant Christian be interested in becoming a Catholic especially in light of the recent scandals in the Church? While still a Pentecostal Protestant Pastor, Mr. Cumbie came to the knowledge that the only hope for the future of Christianity lies in a return to the ancient liturgical worship and sacramental theology of the Church. In this compelling series, Michael speaks from the heart directly to Protestant Christians, boldly challenging them to set aside fear and prejudice to discover the truth, the whole truth and nothing but the truth of the Catholic Faith.
